SHRAVNI WAKDE

FINAL YEAR B.Tech | Information Technology

@ wakdeshravni21@gmail.com   📍 Nanded, India   📞 (+91) 8432713596   in shravni-wakde   ⭕ shravni21   🔗 Portfolio

EDUCATION

B.Tech in Information Technology
Shri Guru Gobind Singhji Institute of Engineering and Technology

📅 Feb 2021 – ongoing   📍 Nanded

CGPA: 8.01

Higher Secondary
Shri Shivaji College

📅 Feb 2020   📍 Parbhani

Score: 89.23%

Secondary School
Gandhi Vidyalay

📅 March 2018   📍 Parbhani

Score: 98.60%

PROJECTS

Reflect
MongoDB | Express.js | React.js | Node.js | Sass

📅 June 2023   📍 Github | Live link

- React.js UI with secure sign up, login, and logout functionality.
- Enabled users to add daily diary entries with date, title, and the ability to delete entries.
- MongoDB to store and manage diary entries, while developing a robust backend API using Node.js and Express.js.

MyTubeDownloader
React.js | Express.js | Node.js | Tailwind CSS

📅 Feb 2023 – March 2023   📍 Github

- MERN stack browser extension that allows users users to download videos in various resolutions
- responsive Glassmorphism UI with cross-browser compatibility

EXPERIENCE

Mentee
Microsoft Engage Mentorship Program

📅 May 2022 – June 2022

- Explored valuable learning opportunities in Microsoft's mentorship program, gaining insights into industry best practices and expanding technical expertise.

CODING PROFILES

- max rating pupil 1207 on Codeforces
- 3 Stars rating (1634) on Codechef
- 200+ questions solved Leetcode
- 5 star in C++ language on HackerRank

SKILLS

Languages:
C, C++, Python, JavaScript.

Framework:
Web-development, React.js, Node.js, Flask, Bootsrap.

Databases:
MongoDB, Mysql.

Others:
VsCode, Git, Github, Jupyter notebook.

Course Works:
Data Structures, Algorithm, Operating Systems, MySQL, Block Chain.

ACHIEVEMENTS

- Solved more than 1000 problems across different coding platforms and participated in 50+ coding contests
- Rank : 243/12k (Codechef July Long Challenge)
- Selected for Inspire Research internship camp at IISER Pune   Certificate
- ONGC Scholarship

VOLUNTEERING

- DBMS Member - Training Placement Cell, DBMS portfolio handles placement related data and Superset verification of students.
- Media Coordinator- Codechef SGGSIE&T Chapter, Successfully organized and managed the 3 National level coding contests and a 36 hrs Hackathon.
- Class Ambassador - Third year

CERTIFICATION

- Algorithmic Toolbox Coursera
- Oracle SQL Proficiency Coursera
- Problem solving HackerRank
- Crash Course on Python Coursera
- React Basics Coursera
